

LIMITLESS ASSEMBLY

LOCTITE

3D

Loctite Post Processing - Beyond the necessary evil

We recognize that there is more to making a great print than just the printer and the resin

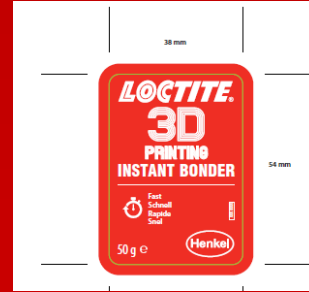

The Loctite portfolio is unmatched in its depth and breadth of technologies. Our processing materials and equipment will reduce your print time and make your parts:

- ☐ Bigger
- ☐ Stronger
- ☐ Cleaner
- ☐and more **FUNCTIONAL!**

Our Bonding Hero's

Product	Universal Bonder	Instant Bonder
Colour:	Clear	Clear
Packsizes:	11gr Double syringe	50g bottle
Benefits:	Broad Adhesion Gap Filling Fast Cure	Broad Adhesion Easy Use Instant Cure
Application Area's	<ul style="list-style-type: none"> Non-Porous Substrate Bonding (SLA + DLP) Gap Bonding 	<ul style="list-style-type: none"> Porous Substrate Bonding (FDM + SLS) Zero Gap Bonding

Coming Next @ Formnext Nov, 2018
